Retired Educator

## **CALL FOR ALL SPECIAL JUDGES!**

**Some judges and organizations have already contacted me. If you are not one of them – please let me hear from you as soon as possible!**

I am attaching a copy of the parking permit and a schedule for the day. Please park in the lot directly north of the USA. Judges representing the military and other organizations have two opportunities to view and judge projects for your convenience. Students will be at their projects from 10:00 to 11:00 a.m. At 11:00 a.m. we will begin serving a buffet lunch in the City Bank Room. Both Special Judging and Regular Judging will start at 12:30 p.m. There will be a short training time during lunch.

Questions? Please feel free to contact me!
