

South Plains Regional Science and Engineering Fair (SPRSEF)

February 22, 2024

Hello everyone,

As everyone gets started for a busy school year, we wanted to send you a bit of information about the SPRSEF season:

- SPRSEF 2023 will occur on February 22, 2024 at the United Spirit Arena.
- All forms and paperwork will need to be turned into Sandy by February 9th, 2024.
- There will not be limitations for the number of projects this year. Please refer to the South Plains Regional Science and Engineering Fair Participation Equalization Guidelines for the maximum number of projects per grade enrollment. (attached)
- The registration fee per project is \$25.
- There will be a new registration tool, Stem Wizard, that will be utilized this year (instead of Scientist) by Middle School and High School students. Training for Stem Wizard will be remote to accommodate your different schedules. Participation in the **TRAINING** is highly recommended.
 - o **Date: October 17th, 2023 and 4:15pm.** (will be 30-60min)
 - o This will be recorded and posted to the site.
 - o Stem Wizard site:
http://southplainsref.stemwizard.com/public_site/home/southplainsrsef
- T-shirt order forms will be due by February 1st, 2024. The forms will be on the Stem Wizard and SPRSEF sites.

We are attaching a few forms for your reference. We will also be putting forms on the SPRSEF website: <http://www.phys.ttu.edu/scifair/index.html>

Please feel free to contact us with any questions.
