Faculty Position in Experimental Particle Physics
Texas Tech University

The Department of Physics at Texas Tech University invites applications for a tenure-track Assistant Professor position in experimental particle physics pending budgetary approval. The members of the experimental particle physics group actively participate in CDF and CMS experiments and maintain a rigorous R&D program in advanced detector physics. Candidates must have a Ph.D. in physics and at least two years of post-doctoral experience, possess an outstanding research record, and show promise of excellent teaching. Applicants should submit a vita, a list of publications, a brief statement of research interests, and the names and contact information for at least three references. Applications should be sent to the Particle Physics Search Committee, Department of Physics, Texas Tech University, Box 41051, Lubbock, TX 79409-1051. Applications will be reviewed starting May 3, 2004 and will continue until the position is filled. TTU is an equal opportunity/affirmative action employer.
